Knowledge Utsav winners announced

The first edition of the Knowledge Utsav - India's largest research and development conference which was held on August 28, 2010 - has on Tuesday officially announced the recognition of 88 papers out of the 480 papers which were presented at the utsav. The utsav will provide support to these researchers in participating at some of the top R&D conferences across the world and also in publishing these papers in various International publications and journals. R Chenraj Jain, Chief Mentor Edu.In and Chairman Jain University said, "The 88 selected papers have a lot of weightage. Their visibility will open doors for further R&D ventures in India."
