

Courses from Jain University

Bachelor of Science - Animation

The Bachelor of Science - Animation provides an opportunity for young artists to understand the nuances of animation and filmmaking. Students are given training right from the basic traditional animation to the sophisticated 3D animation and filmmaking.

Duration: 3 years, 6 semesters. Eligibility criteria: PUC / CBSE / ISC or equivalent

Programmes are taught via lectures, seminars, practical workshops and group work. Teaching staff also adopt a range of web-based technologies to deliver module and programme content, assess, provide feedback and

communicate with students.

Career opportunities: A degree in Animation can lead to a career in the following areas: Concept designer, art director, layout artist, storyboard artist, character modeler, BG modeler, texturing artist, animator, technical director, VFX supervisor, industrial designer, medical animator, comic book artist.

Bachelor of Interior Design

Interior Design is intended for students who wish to seek professional or executive employment in the field of interior design or related areas of design activity.

Duration: 3 years, 6 semesters. Eligibility:

PUC/CBSE/ISC/Equivalent
JGI also offers 1-year diploma and 3-year diploma pro-

grammes in Interior Design.

Forensic Sciences:

The Forensic Sciences programme provides an intellectually challenging study of a full range of forensic applications. The aim of this programme is to encourage students to study scientific subjects that provide them with the necessary skills to work in forensic science as well as a wide range of other scientific fields. Duration: 3 years, 6 semesters. Eligibility Criteria: The minimum qualification required to be eligible for admission is a pass in the 10+2 examination or equivalent from any recognised Central or State Board.
