The 1st internship programme for 10 days (13-23rd May 2019) was conducted for pre final year BE (Fire Engg) students of **NFSC**, Nagpur. 6 students participated for the programme.

Two Weeks internship programme for National Fire Service College Students – Sept/Oct 2021

The 2nd internship programme of two weeks (27th Sept-12th Oct. 2021) was conducted for pre final year BE (Fire Engg) students of **NFSC**, Nagpur. 14 students participated for the programme. During the event 3 sessions were delivered by external speakers respectively S, Sriramakrishnan (Honeywell), S, Anantharaman (Fire Safety Consultant) and Jesu Prakash (UL, Singapore). The programme completed successfully with the feedback sessions and the certificate distribution.

Feedbacks:-

"Really exciting as it is the first internship. This had been rocking start to our professional experience. This was essential to learn with basics and theory lessons. Everything was in proper formal manner and we learned a lot during the programme" :- Nimish Ugemuge

"This is my second experience. The involvement an planning of this programme was immensely well. The 2 week programme details were shared well in advance to mentally prepare for each day. There are lot more to discovered and learn from this place. I am looking forward to connect with FCRC my future career as well. Thank you for all the support and guidance. ":- Samruddha Banpurkar

"Our mind started to work again coming here. We could brush up our basics and the way we think. I would like to thank all of you for changing our mind set to learn to question basic things and to be clear about everything":- Rushikesh Joshi

7 Days Summer Internship Programme National Fire Service College Students- 18-24th Dec 2023

The 3rd internship programme of two weeks (27th Sept-12th Oct. 2021) was conducted for BE (Fire Engg) students of **NFSC**, Nagpur. 5 students participated for the programme. The programme completed successfully with the feedback sessions and the certificate distribution.
