

IIAEM

IIAEM is a collaborative venture between Jain University, SIATI, and leading Aerospace organizations, an initiative never attempted by regular Universities. IIAEM has received overwhelming support from academic institutions, R&D laboratories and reputed organizations - like ISRO, HAL, AAI, NAL, Air India, Jet Airways, BIAL, CIAL and many others. Besides involving itself in cutting edge research, the Institute is striving to generate a pool of technical manpower skilled in Aircraft Design, Avionics, Aircraft Maintenance Engineering, Airport Infrastructure & Aviation Management both at the UG, PG and Research levels. Within the next few years, the IIAEM is poised to develop into a world-class institution for aerospace research and education.

SIATI

The Society of Indian Aerospace Technologies & Industries (SIATI) has made pioneering efforts in bringing industry, R&D centres both in India and abroad together to enhance self-reliance in aerospace technology and manufacturing. In addition to major aerospace players it has now about 300 Small, Medium and Large Scale private industries engaged in development and manufacture of aircraft structures, systems/equipment.

International Institute for Aerospace Engineering and Management (IIAEM)

JAIN UNIVERSITY
Declared as Deemed-to-be University u/s 3 of the UGC Act 1956

and

Society of Indian Aerospace Technologies and Industries (SIATI)

Announces A One-day Workshop on

AIRPORT SAFETY AND SECURITY

On Tuesday, 20th September, 2011 from 9 AM to 5 PM

Venue: Aeronautical Society of India Building,
Suranjandas Road, Off Old Madras Road, Bangalore - 560 075

Coordinators

Mr. N. Nagraj - Professor, IIAEM

Mr. V.V. Subramanyam - Professor, IIAEM

Wg. Cdr. (retd.) S. Manoharan - Coordinator, ATC & Mgt., IIAEM

About the course

This course covers the topics associated with the design, development and operation of Airport safety and security systems for incident / accident free, through smooth and effective control of operations both on ground and in Air.

Speakers

Lectures will be delivered by experts in the field drawn from Airports, Airlines and Security agencies.

Who would benefit

- The working Executives from Airports, Airlines, Freight Carriers, Defense Establishments and other Service Providers in Airports.
- Interested Faculty members and Students involved in the field of Management.

Registration Fee per Participant

Corporate Delegates ----- : ₹ 2,500/-

Delegates from Academic, R&D Labs & Govt. Orgns. - : ₹ 2,000/-

Students ----- : ₹ 1,000/-

(Registration fee includes participation fee, tea/coffee, working lunch & lecture material. The registration form along with DD/Cheque drawn in favor of 'IIAEM', Bangalore should reach our JC Road office before 16th September 2011)

TOPICS

1. Airport Organisation, Infrastructure, and Management - an overview
2. Threat perception and challenges to Airport Security
3. The challenges for Air Traffic Management
4. Role of Central Industrial Security Force (CISF) in Airport Security
5. Safety Management System at Airports
