

Institut Aéronautique Et Spatial (IAS), France delegates visit Jain Global Campus

Mr. Michel Reynes, Managing Director and Mr. Etienne Fleury, International Project Manager from Institut Aéronautique Et Spatial France visited Jain Global Campus on 22 January 2013. The team was here to discuss about the MoU between IAS and IIAEM, Jain University.

The team from Jain University headed by the Chancellor, Dr. C.G. Krishnadas Nair included Dr. N. Sundararajan, Vice Chancellor, Prof. N.V.H Krishnan, Registrar, Dr. N.G.R. Iyengar, Director, IIAEM, Dr. C. Subramanian, HOD - IIAEM, and Prof. T.S. Sridhar, CEO, School of Engineering & Technology.

The MoU is tentatively scheduled to be signed on 7 February 2013 at the Aero India Show. This collaboration focuses on establishing Aerospace Training Center at IIAEM, Jain University that will provide training programmes for French companies in India, Indian companies sponsored by French companies and Potential French Suppliers to French Industries.

The delegates also visited various facilities of SET and IIAEM at the Jain Global Campus.
