

## **Fire & Security Association of India, Bangalore Chapter visits Centre for Disaster Mitigation, Jain University**

Fire & Security Association of India (FSAI) Bangalore chapter visited Centre for Disaster Mitigation (CDM), Jain University for a one day study tour on 8 February 2013. The visit was coordinated by the Bangalore chapter of FSAI and had a strong turnout of over 45 members including many core committee members.

The FSAI team was exposed to the UL-JFL lab outdoor facility. This is the first of its kind fire test facility set up at Jain Global Campus. The members witnessed a live demonstration at their outdoor lab on foam based extinguishing capabilities. The FSAI team along with the CDM, Jain University team discussed broad contours of future collaborations.
