

Inauguration of Ph.D. Programme - January 2013 Batch

The Ph.D. Programme of Jain University was formally inaugurated on 23rd January 2013. The Deans, Research Guides and new students enrolled in the programme were present during the occasion. Dr. Sandeep Shastri, Pro Vice Chancellor, Jain University welcomed all the scholars and congratulated them for moving forward in their research journey. Dr. N G R Iyengar, Director, International Institute of Aerospace Engineering and Management (IIAEM) stressed the need for a clear focus among the research students and emphasized on the need for quality and innovativeness in research. The Deans introduced the research guides in their faculty and spoke about the ongoing research work in their domains. Dr. Jayagopal Uchil, Director, Academics and Planning, emphasized the need for care in choice of research area and sustain research interest.
