## About Jain University:

Jain University was declared a deemed-to-be University u/s 3 of the UGC Act, 1956 in 2009. It is a member of Jain Group of Institutions, with nearly two decades of experience in the field of education. Jain University offers UG, PG & Research Programmes in the disciplines of Engineering, Humanities, Sciences, Social Sciences, Commerce and Management with a vision of "Nation building through Excellence in Quality Education, Research and Entrepreneurial Development". It boasts of academic, research and corporate collaborations with various international and national organizations of excellence. With excellent infrastructure and faculty members of the highest calibre, the University emphasizes on quality education coupled with value added programmes, co-curricular and extra-curricular activities.

## Objectives of the Conference:

✓ To explore the trends in management of academic libraries including Web-scale discovery systems with enhancements such as discipline-scoped searching customized widgets and community-source library management systems.

✓ To provide a platform to discuss how IT continues to drive much of the futuristic thinking within academic libraries.

✓ To understand user's desire for information and access to social media and networks anytime/anywhere;

acceptance and adoption of cloud-based technologies; more value placed on collaboration; challenges to the role of higher education in a world where information is ubiquitous; new education paradigms that include online and hybrid learning and challenge-based and active learning.

✓ To provide digital repository services, author copyright advice, digitization services, and management of research datasets, as well as metadata creation, cataloging and digital preservation.

## Conference Theme:

***"Trends in Management of Academic Libraries in Digital Environment (TMALDEN-2014)"***

### SUBTHEMES

- ✓ Higher Education and Libraries
- ✓ Emerging Technology / Digital Libraries
- ✓ Best practices / Innovative information services
- ✓ Information / Knowledge Management
- ✓ Information Standards in Library Services

## Mode of Technical Sessions:

Each technical session will be conducted by an expert on the specific sub- theme of the conference. This will be followed by contributing paper presentations. The entire proceedings of the conference will be published with systematic refereeing and evaluation of the value and relevance of the conference papers.

## Call for Papers:

- Original contributions based on applications / research / surveys / practices related to the theme and sub themes mentioned, are invited for conference presentation.
- Topics relevant to the main theme, not particularly mentioned in the sub-themes will also be considered.
- The paper should not exceed 3000 words (not more than 10 pages) and should contain an abstract of 100 to 200 words.
- Based on technical committee's recommendations, selected papers will be published in the Conference Volume with ISBN Number.
- Registration of all authors is mandatory for paper presentation and publication.

## Paper Submission:

- Authors are requested to submit the full-text of their papers on or before 30th Nov 2014
- The deadline for registering for the conference is 15th Dec 2014
- Accepted papers must be presented by the first or any one of the co-authors based on editorial Committee's review.
- Papers should be sent to : [tmalden2014@gmail.com](mailto:tmalden2014@gmail.com)

## Manuscript Requirements:
