

Christmas Celebrations 2015

Christmas Decoration

This year the department plans to install a 15 ft. Christmas tree on the quadrangle along with a 6 ft. Snowman. As always the quadrangle and the department passage will be decorated to bring in the festive look. Students are roped in to prepare decoration items along with the Christmas tree.

Santa Claus in Jain University

To celebrate Christmas in a fascinating manner, this year the department has identified a student who will dress up as Santa and go around the University distributing sweets on this occasion. This will be a great experience for the students and staff alike in the University.

Visit to a Blind Children's Home

To bring a sense of social responsibility among students, the department plans to visit a Blind Children's home on 23rd December. Students and faculty are encouraged to contribute to the fund that will be utilized to buy things that will fulfil a child's wish. These items will be given to the children as a Christmas gift from Santa.

Selfie with Snowman

Every Christmas Eve, student activities and contests are held. This year, apart from few creative contests, students are encouraged to participate in a Selfie with Snowman contest. Students are required to take a creative selfie with the snowman in the quadrangle and tag Jain University's Facebook page. This contest will be held from 22nd December 2015 to 2nd January 2016.

Student Showcase

The department plans to display and sell students' art works. Students are given an opportunity to display and sell their works. The money earned from this can once again be used to buy items for the Blind Children's Home.
