Studying at Jain University

Programme Choice

We offer a wide variety of under graduate & post graduate programmes with our qualifications particularly tailor made to meet the needs of industry and commerce. A well established reputation with professional and industrial bodies, facilitates consistent review of our portfolio and ensures that our student's requirements and employer's needs are met.

Pioneering Teaching & Research

The faculty is distinguished by its dedication, enthusiasm and commitment. It is comprised of talented people, many with advanced degrees. They possess a

deep knowledge of subjects they teach and have a unique understanding of students and how they learn best.

Great Student Experience

University life isn't just about studying, it's about making the most of all the experiences on offer, and there are lots of them at JU. Our student's forum is one of the most active in the country with many

clubs and associations to get involved with.

Outstanding Student Support

At Jain University, you will benefit from some really great facilities, including classrooms fitted with new state-of-the-art equipment, high-tech teaching rooms, laboratories and Wi-Fi internet access throughout the University.

Sports at Jain University

Stemming directly from the vision of overall student development, we provide facilities and encouragement for every sport activity that students find interest in. Exceptional talents are given adequate encouragement to emerge as winning performers in their chosen sporting disciplines.

Careers & Placements Services

The career & placement services provides unbiased information, advice and guidance to first help students understand themselves and the employment market. Later they are supported to plan and prepare for their

future by developing suitable career related skills & knowledge. We aim to help students find a career that uses their unique skills & individual experience to the fullest.
