About Jain University:

With a vision to empower talent through its innovative learning experience, Jain University has become an educational hub for millions of young minds hailing from more than 35 countries. Based in Bengaluru the deemed university has evolved magnificently over the last seven years. Jain University enlightens each and every aspiring student on higher education and career choices. Its ever-evolving and open-minded system encourages students to exceed expectations in their area of interest, thus, guiding them to become ethically sound individuals. Due to its quest for continued success and resilience, Jain University has become one of the top universities in India. The university, which is spread across more than a dozen campuses, has left no stone unturned in providing state-of-the-art facilities in various sectors including education, sports, entrepreneurship, research, and its other ventures.

Dr.U.R.Ananthamurthy:

Padma Bhushan Sri.Udupi Rajagopalacharya Ananthamurthy was that supreme storyteller, popular teacher, generous mentor of young writers and fierce public intellectual who transcended each of those descriptions. A committed Indian *bhasha* enthusiast, Ananthamurthy wrote entirely in Kannada, with the exception of an occasional lecture or essay in English. He was one of the pioneers of the *Navya* movement. His writings are a reflection of the manner in which individuals deal with situations that are unusual and challenging. They also happen to be deep engagements with the element of modernity crisscrossing traditional socio-political and economic structures and values bringing in remarkable changes forcing traditional forms of life to restructure themselves. Ananthamurthy's work capture the tensions, conflicts and contradictions of postcolonial societies like India, and it is for this reason that they become crucial cultural texts that help us understand the paradoxical nature of our times.
