

## **11,000 job aspirants meet 113 employers at Connect to Careers, Bangalore's biggest job fair!**

**“It’s a priceless moment when you see those job aspirants’ thankful eyes who found their dream job at the fair whom you helped”,** said and smiled Shariq, a volunteer at the Connect to Careers, Bangalore’s biggest job fair conducted by Jain University.

Jain University has always been steadfast in its commitment towards providing the best choices of employment for its students and society. In keeping with this responsibility, the University organized Connect to Careers, to connect prospective employees with their employers in association with Ampus Solution, First Naukri, and LinkedIn. Split into non-IT and IT segments, the two-day job fair saw over 11,000 job aspirants. 113 companies from different fields offered the candidates a wide spectrum of employment opportunities.

Apart from recruiting, 'Rock Your Profile' sessions from LinkedIn team, 'Walk the Right Career Path' sessions from First Naukri team were also part of the Connect to Careers Job fair which advised the job aspirants about improving their resume building skills and know the career opportunities available at diversified sectors.

**“We are glad to provide full-fledged support this time for Connect to Careers – Job fair. It is a great initiative taken by Jain University. Despite jobs, a wonderful platform has been provided for the students to know variety of job descriptions and companies available for them to set their future goals”** said Mr. Nishant Bhalla, Sales Head, Firstnaukri.com.

Priyanka, a final year MBA student who aspired to hold an offer letter in her hand just before her examination said, **“I had a wonderful employability enhancement opportunity with 100 plus corporate houses today. I had a wish-list to attend top class corporate companies interview under one roof as I travel from a far place, and it was fulfilled today. I have been shortlisted for next round by two top companies and my dream job is just few steps away.”**

Prominent corporates and organizations such as JGI Group, IBM, HCL Technologies, HP, Amazon, Myntra, Apollo Munich, State Bank of India, ICICI Bank, Axis Bank, Azim Premji Foundation, Future Group, Bookmytraining.com and many more participated in the job fair. **“It is the first job fair we witnessed that is so well-organized. It is very interesting to see many outstation students who travelled from far places like Andhra Pradesh, Tamil Nadu, and North Karnataka to participate in this event. The candidates whom we have hand-picked at Connect to Careers will be serving our organization”** said Aruna B – Director, Bookmytrainings.com
