

Advertisement No: JU 2015/CET/GAP /RA

Applications are invited from eligible candidates for the position of a Research Fellow on a temporary contractual basis for a Grant-in-Aid Project entitled “**Optimization of Machinability and Surface Characteristics of Al-Si-Cu alloys for Naval Applications**” tenable at Mechanical / Materials, Centre for Emerging Technologies, Jain University, funded by NRB – DRDO.

Essential Qualifications: B. E. in Mechanical Engineering / Metallurgy branch with first class.

Emoluments: Rs. Fourteen Thousand Only (Rs.14,000/-) per month for three years.

How to Apply:

Eligible candidates may send their complete Bio-data with e-mail address & contact phone number along with attested copies of the necessary certificates to;

Dr. Basava Kumar KG (PI) Professor, Centre for Emerging Technologies, Jain University, Jain Global Campus, Jakkasandra Post, Kanakapura Main Road, Ramanagara District, Karnataka - 562112 (email: bkumarkg@gmail.com) on or before 28 March 2015.

Terms & Conditions:

- The engagement of Research assistant is exclusively for the above mentioned project
- The engagement will be contractual and on purely temporary basis in the project funded by NRB Govt. of India for a maximum **period of three years** and is co-terminus with the project.
- The engagement under externally funded project does not confer any right / claim whatsoever either explicitly or implicitly on the appointee for regular appointment in Jain University against any post or otherwise under any legal conditions precedent
- No TA / DA will be given to the candidates for attending the interview.
- Applications received after the due date (i.e., **28-03-2015**) will be summarily rejected. The short-listed candidates will be informed about the date of interview and the venue through e-mail / post.
