Yamaha Fascino Miss Diva Miss Supranational India 2016 Srinidhi Ramesh Shetty had a hectic Thursday. The day began with a visit to her college, School of Engineering and Technology, Jain University, where a grand welcome awaited her. Big banners congratulating the beauty queen, along with newspaper cut-outs announcing her win were put up all across the campus. After receiving several bouquets, and cake-cutting and photo sessions, she was escorted to a packed auditorium, where the teachers introduced her to the audience as a 'golden feather in the hat of the college'.

Srinidhi recounted her days as a student and highlighted how the college played an important role in her upbringing. "I am feeling nostalgic because some of my best memories are from here. I was engaged in both curricular and extra-curricular activities, and the college supported me through and through. I was new to the city when I joined college, so this was my home away from home," said the Mangaluru-based diva. Students of the college staged dance performances to

honour the beauty queen, after which all of them clamoured for selfies with her.

Post this, Srinidhi headed home, where her family had arranged a small celebration. From there, she headed to the Buntis' Sangha, where the members felicitated her with a shawl, trophies, garlands, bouquets and gifts. After the welcome address and invocation, the members prayed for her next victory at the Miss Supranational pageant. But this was not all. The full-of-life Srinidhi then headed to a resort to wind up the day over a quiet dinner with her family.

SRINIDHI WAS A HARD-WORKING AND DEDICATED STUDENT AND PASSED WITH DISTINCTION IN ALL THE EIGHT SEMESTERS, APART FROM BAGGING MEDALS FOR DANCE AND MODELLING. SHE WAS ALSO VERY RESPECTFUL OF HER TEACHERS, AND IS A DOWN-TO-EARTH GIRL. TO SAY THAT WE ARE PROUD OF HER IS AN UNDERSTATEMENT
