

Applications are invited for the position of **Project Assistant** in a funded research project to work on “**Synthesis of metal boryl complexes and their reactivity**” in the *Centre for Nano and Material Sciences*, Jain University, Jain Global Campus, Jakkasandra Post, Kanakapura Taluk Ramanagara District, Bangalore Rural.

**Number of Positions available:** One

**Essential Qualification:** First Class in M.Sc. (General Chemistry/Organic/Inorganic)

**Desirable:**

1. UGC/CSIR-JRF/SLET/CSIR-LS/GATE
2. Research experience in Organic Chemistry.

**Fellowship:**

15,000 per month

**Duration:** Thirty months

**General terms and conditions:**

- The position is purely temporary and initially for one year. However, it is renewable each year subject to satisfactory performance for a maximum of two more years and the availability of the project fund. The position is coterminous with the project.
- Incomplete applications or those that do not meet the minimum criteria will not be considered.
- Canvassing in any form will be a disqualification and no interim correspondence will be entertained.
- The engagement of Project Fellow is exclusively for the above-mentioned project.
- Mere fulfillment of qualification/experience requirements does not entitle a candidate to be called for an interview. Only shortlisted candidates will be called for the interview. No TA/DA will be provided for attending the interview.
- Candidates should produce original testimonials/certificates, as a proof of the details furnished in their application, at the time of interview for verification, failing which they will not be allowed to appear for an interview.

- How to Apply: Applicants should send a covering letter and a detailed CV of their academic and professional qualifications to Dr. Shubhankar Kumar Bose at the address mentioned below:

**Dr. Shubhankar Kumar Bose**

Assistant Professor  
Centre for Nano and Material Sciences  
Jain University, Jain Global Campus  
Bangalore-562112 (India)

Candidates are also required to send a soft copy of the application along with other details via email to [skbose80@gmail.com](mailto:skbose80@gmail.com).

Application forms should reach the following address on or before 31<sup>st</sup> March 2017.

**NOTE:** Opportunities exist for registration of Ph.D. as per the norms of the University.
