ABOUT JAIN UNIVERSITY

Established with an aim to provide quality education and entrepreneurial development, Jain University is an intellectual destination that draws inspired students from more than 35 countries to India's Silicon Valley - Bengaluru. Spread across five campuses, the University has been consistently ranked among the top private universities in India by India Today Nielsen Best Universities Survey. Over the last eight years, the University has made conscious and concerted efforts to build on its strengths and consolidate its achievements. From academic discoveries to athletic records, from artistic creations to scientific breakthroughs, students are defining Jain University's success in many different ways.

ABOUT THE PROGRAM

Liberal Studies offers the students a non-traditional well-rounded university education. With a degree in liberal studies, you will be able to make sense of economic, religious, political and social questions that are at the heart of contemporary human society. You will get a grounding in the arts, natural sciences, philosophy and social sciences and also will have the opportunity to apply that to their passion, be it in cultural studies, economics, political science, psychology, theatre, finance, management, human resources, marketing, environmental science or mathematics.

Jain University offers you many benefits which are intellectual and practical. The curriculum is an opportunity for you to gain broad learning and a deep understanding of our complex world, and to develop your own personal perspective. The program covers ethics and integrity, confidence in communication, problem-solving, creativity, innovation and teamwork to give you a uniquely valuable educational experience.

OBJECTIVES

- Provides an environment to produce leaders across the fields of the sciences, fine arts, performing arts, social sciences, humanities and in business
- To make a positive contribution whether it be to the economic, political, social or cultural realms

- To help every individual to discover their passion and pursue it with conviction and compassion

INDUSTRY PARTNER

MIDAS is an acronym for Management, Innovation, Design, Arts and Social Sciences. MIDAS aims at providing a robust ecosystem for an entrepreneur to learn and grow his or her business. At MIDAS, a student can nurture start-up ideas and bring them to fulfilment. MIDAS offers entrepreneurship courses focusing on critical thinking, creativity, effectuation and innovation. The incubation center established at MIDAS is a facility that helps entrepreneurs actualize their dreams. This encourages you to become happy, well-rounded global citizens.
