MBA IN AVIATION BUSINESS MANAGEMENT

Indian Institute of Aerospace Engineering and Management of Jain University, Bangalore, is one of the few institutions in India that offers two-year full-time MBA in Aviation Business Management. The programme will cover fundamentals of General Management, specialisation in Aviation Business and additional specialisation in International Business/Finance/Marketing. It is designed to provide career opportunities in Aerospace Regulatory Authorities, National and International Airports, National and International Airlines, Air Cargo Operators, Aviation Fuel Companies and Allied Aviation Service Providers. A graduate in any discipline with over 50 per cent marks with a CAT/MAT/KMAT score of 500/800 or 50 per cent and above can apply. Application forms can be downloaded from www.iaem.jainuniversity.ac.in. Contact the institute or call +91 8123070809/9880641709 for more details.
