Students conduct door-to-door campaign for a clean Frazer Town

A door-to-door awareness campaign on 'Keep Frazer Town Clean' was organised on Thursday, under the banner of the National Entrepreneurship Network and Wadhvani Foundation. Jain University Radio, Radio Active and the Student Entrepreneurship Cell, in association with The Golden Husk and Frazer Town Resident Welfare Association, conducted the campaign. The E-Cell students explained to residents the importance of segregating garbage and keeping streets clean. Over 1,000 dustbins were distributed for free. RWA chairman Pradeep Kumar Reddy said he wished to make Frazer Town a model ward.
