Science Day at Jain University

Jain University is celebrating the National Science Day on Monday. The University will also organise Sir CV Raman Memorial Lecture on Jain Global Campus at 10.30am to spread awareness of science among the youth. Dr VK Aatre, former head of the Defence Research and Development Organisation, will deliver a lecture on Micro-Electro-Mechanical-Systems. The university will administer a series of memorial lectures on various science topics in connection with the National Science Day, which is instituted in the name of the Nobel laureate CV Raman.
