ABOUT JAIN UNIVERSITY

Jain University (JU) is an intellectual destination that draws inspired students from more than 25 countries to one of the world's greatest cities - Bangalore. **Certified ISO 9001:2008 for quality management**, Jain University has been **consistently ranked among top private universities** in India. It promotes innovation and entrepreneurship by bringing people, ideas, and resources together to one platform through interdisciplinary collaboration and interaction. From academic discoveries to athletic records, from artistic creations to scientific breakthroughs, students are inspiring, besides impacting Jain University success in many ways.

The Karnataka State Universities Framework (KSURF) of the State Higher Education Department under parameters like research excellence, innovation, teaching excellence, employability, infrastructure, inclusiveness and social impact has placed Jain University in the **second position** among the young universities.

SCHOOL OF LAW AND GOVERNANCE

The School of Law and Governance is a new initiative of Jain University. The Centre is dedicated to provide excellence in legal education. It imparts legal education not just to produce legal professionals, but social engineers who understand the practical realities of socio-economic and legal issues and provide solutions. The School of Law and Governance is deeply committed to maintain and expand its mission of being a world-class Centre for legal education with a distinctive amalgamation of Students, Faculty and Staff in a congenial environment for learning.

OBJECTIVES

The Centre aims at

- Moulding legal professionals to be conscious of socio-economic realities and inculcating in them a spirit of high moral, cognitive and human values.
- Providing socially relevant, technically sound and qualitatively rich legal education that would match international standards and beyond, to equip future legal professionals for fulfilling the goals of achieving justice and respecting human rights.

- To inspire legal professionals to achieve the constitutional ideals and to emerge as global leaders in research, professional competence and social commitment.
