ABOUT SET JU

The School of Engineering and Technology, Jain University (SET, JU), is a highly renowned Engineering Institution located in Bangalore. SET was established in 2005. SET offer 7 undergraduate and 9 post graduate courses. Our staff consists of highly accomplished individuals who hold postgraduate and doctoral degrees. We have 2500 students currently enrolled in various branches at our institute. SET does cutting edge research in areas such as Nano Technology, Disaster Mitigation, Polymers, Medicinal Chemistry, Remote Sensing Sensor Networks, Cloud Computing, Big Data Analysis, X-ray Crystallographic Studies. Moreover, SET has collaborated with the best companies in the industry such as ISRO, Infosys, Cognizant, HAL in order to enhance research and academic activities.

ABOUT EEE DEPARTMENT

Established in the year 2006, the Department of **Electrical and Electronics Engineering (EEE)** offers Undergraduate (B.Tech) and Doctoral programs with the guidance and assistance of well-versed faculty with academic and industrial experience accompanied by skilled technical supporting staff. The EEE faculty members are the alumni of premier institutes like the NITs, VTU and foreign universities. A majority of the EEE graduates have been placed in reputed electrical industries and top IT companies while many of them are pursuing higher studies within India and overseas. The Electrical Department is intensely engaged in industry-institute interaction, research and development, conferences, workshops, seminars, and classroom training sessions.

ABOUT THE WORKSHOP

This workshop is an attempt to sincerely mould and orient the budding and young teachers of higher education in a better way to exhibit professionalism in teaching and learning process. This may be the spark for any young academician to refine and channelize themselves and hence this workshop may be known as a “Goal Setting Workshop”, which will reorient the vision of young faculty, through understanding the multi faceted roles they need to play today for survival.

Objectives of Workshop

- ◆ To convert Aspirations to Destinations
- ◆ To set Personal goals in career
- ◆ To emphasis on Professional roles
- ◆ To understand Societal responsibilities
- ◆ To evolve with Road maps in line with Institutional Goals

Expected Outcomes

- ◆ Reorientation of SELF
- ◆ Clear understanding of Today’ Professional Responsibilities
- ◆ Realization on Continuous Improvement for Survival
- ◆ Understanding on prevailing Quality Standards, from Time to Time
- ◆ Capacity building on evolving road maps for better professional life

WORKSHOP AGENDA

DAY 1

1. Aspirations to Destinations
2. Personal Goal Setting
3. Professional Roles
4. Societal Responsibilities
5. Q & A Interactive Session
6. Assignment on Creation of Individual Roadmaps

DAY 2

7. Roles of a Multi-faceted Faculty
8. Domains of Importance
9. Deliverables on Demand
10. Correlating Goals
11. Evolution of Road Maps in compliance with Institutional Targets

RESOURCE PERSON

Dr.D.Senthil Kumaran M.E, PhD (NUS)

Senior Academician
Coimbatore

He is having more than three decades of teaching experience and aims in reorienting the vision of young faculty, through understanding the multi faceted roles they need to play today for survival as a professional obligation
