

**POST GRADUATE DIPLOMA IN ART MANAGEMENT & CURATORSHIP
Programme Guide**

Programme Overview

A world without art is a world without culture, passion or creativity. Strengthening our cultural institutions is one of the most important ways in which an individual can serve for the benefit of the society. Art curatorship is one of the highly sought after vocations as a result of an increased awareness of art and rising art markets. Globalization of art and the art market calls for serious study of art and its management. Jain University's diploma programme in art management and curatorship will make students capable of understanding art and its market and also managing art in galleries, institutions, museums and art projects.
