TWO DAY NATIONAL CONFERENCE ON RECENT ADVANCEMENTS IN FORENSIC SCIENCE

26th & 27th JULY
2019

Department of Forensic Science
School of Sciences
#34, 1st Cross, J C Road
Bangalore 560027
Ph: 080-43430105

JAIN (Deemed to be University)

JAIN (Deemed-to-be-University) is promoted by Jain University Trust and managed by JGI group. Headquartered at Bangalore, the JGI group represents a cluster of 85 vibrant establishments with a vision of nation building and better tomorrow through excellence in quality of education, research and entrepreneurial development. JAIN is accredited with 3.31 grade by NAAC and has been awarded Graded Autonomy by UGC. JAIN offers over forty five innovative programmes at the undergraduate, post graduate and research levels in addition to the regular programmes offered by the university. Research programmes are currently in ten disciplines, with most of the researchers involving in interdisciplinary and multidisciplinary research.

Department of Forensic Science

The department of forensic science was established in the year 2011. It offers UG, PG, M.Phil, and PhD programmes in Forensic Science. The main aim of the initiation of the course is to inculcate into the minds of the students a scientific methodology of collecting and identifying evidences to support the cases, crime investigation, forensic science laboratories, and other organizations. With over 800 students, the department has flourished and become one of the renowned forensic science centres in the country.

RECENT ADVANCEMENTS IN FORENSIC SCIENCE

This two day conference aims to bring to the forefront the recent developments that have taken place and are under progress in the field of forensic science. This will help to understand the new nuances of research happening at national and international level.

The theme of the conference is "**RECENT ADVANCEMENTS IN FORENSIC SCIENCE**". The sub themes mentioned below pertain to each specific field and the advancements made in that particular discipline of forensic science.

Sub Themes:

- ▶ Forensic Biology and Serology
- ▶ Forensic Genetics and Genomics
- ▶ Forensic Physics and Ballistics
- ▶ Forensic Chemistry and Toxicology
- ▶ Questioned Document Examination
- ▶ Fingerprints and Impressions
- ▶ Digital and Cyber Forensics
- ▶ Audio and Video Analysis
- ▶ Forensic Anthropology and Odontology
- ▶ Forensic Entomology
- ▶ Microbial Forensics
- ▶ Crime Scene Investigation
- ▶ Forensic Psychology
- ▶ Forensic Accounting and Auditing
