# JAIN UNIVERSITY

Jain University has been the benchmark for quality education and excellence in extracurricular activities. Over the years, JU-Knowledge campus has emerged as one of the top colleges across India. Apart from academics, the University has been the launch pad for those with exemplary talents and provide shelter to hone many a myriad of talents - be it artistic, literary or even sports. There are a variety of forums and clubs to accommodate such young talent and students of such calibre are able to perform in their respective fields with passion and grace.

## THE CULTURAL FORUM

The Cultural Forum is a forum of budding artists and talented students who put together all their creative thoughts, efforts and energies with innovations to pull off various events in Jain University. We mainly deal with event management and also provide an imposing platform for individuals to showcase their talent in the events conducted by other colleges and institutions.

The Cultural forum is the driving force behind organizing all the cultural fests such as Anveshana, an intra-collegiate fresher's fest, Taru Samskriti - Samaagama, state level inter-collegiate PU fest and Samyoga - a national level intercollegiate fest. The forum also hosts PULSE - a National Level Dance Fest, wherein 200 colleges across India participate. The students of the forum come together and work towards achieving excellence in extracurricular activities.

# PULSE

PULSE, the National Level Dance Fest, clocks in this year at Jain University to give young dancers an inexplicable opportunity to showcase their talent and express themselves through their dance moves.

In the year 2011-2012, this amazing dance extravaganza was conceptualized. Various Sandalwood personalities like Rakshith Shetty, Aishani Shetty, Master Anand and many more have been part of Pulse in all these years. The significant aspect of Pulse is the celebrities who come to judge and encourage the participants. Last year, Paul Marshal, Lakshmi Gopalswami and International dancer Sylvia Lo were the judges for the various dance events. This year Pulse is back on 21st January 2017 with much more energy, fun and excitement. So come and dance your way towards victory.
