

Activity on Management Concepts and Practices

4 & 5 September 2014

Department of Commerce & Management, School of Commerce and Management Studies, Jain University is known for its practical implementation of theoretical academic concepts which enables the students to explore the newer horizons of knowledge. For the academic year 2014, it is conducting an activity on the subject Management Concepts and Practices (MCP).

As a part of Internal Assessment for BCom 1st semester, the students are being encouraged to use the concepts of management like planning, organizing, staffing, directing and controlling in various social issues that affect the people around where students will prepare mini project in association with the student forums in the campus.

Each class has chosen a topic for the same which is mentored by the respective faculty of MCP subject. The details of the project are given below:

#	Class & Section	Topic
1	I-A	Campaign on Sexual Harassment
2	I- B	Awareness campaign on ragging and taking stand on general crime
3	I-C	Campaign - Drug Abuse
4	I-D	Workshop for Students in Blind School
5	I-E	Parking Management
6	I-F	Directions / Signs in campus
