

**FACULTY DEVELOPMENT PROGRAMME 2014**

The School of Graduate Studies, Jain University, J C Road is conducting a Faculty Development Programme for UG lecturers from 17 December 2014 to 19 December 2014. The role of a lecturer is amassing newer dimensions and is constantly evolving with changing global trends. Gone are the days when lecturers were seen as mere transmitters of information. With democratization of class room dynamics, a lecturer is met with more demands of skills than ever before. This calls for immense self-awareness on the part of the lecturer, to cope up with the changing circumstances. This programme is being conducted with the aim of overall personality development and enhancement of subject oriented knowledge of faculty. This would enable them to become more competent lecturers imparting quality education to students. There would be two sessions on all the days; a general session for all the faculty members followed by subject oriented sessions. The general sessions would be conducted by Dr. Sandeep Shastri, Dr. Shailaja Shastri, Dr. Sherin and Ms. Ashwini.

Subject oriented sessions will be conducted separately for Physical Sciences; Life Sciences and Chemistry; Forensic Sciences; BCA, ISMS and Computer Science; Arts and Languages. These sessions would be conducted by subject experts from academic organizations of high repute and would enhance the knowledge of faculty in the recent trends, techniques and happenings in their respective fields of study. This in turn would benefit the students because such knowledge updation would make them ready to face the challenges of the competitive fields of study.
