

Workshop on Undertaking Quantitative Data Analysis

The third in a series of Advanced Research Methodology workshops was organized by the Centre for Research in Social Sciences and Education (CERSSE) of Jain University on 6 and 7 March 2015. The workshop was focused on Quantitative Data Analysis. Doctoral Students from Jain University and other Universities in the city, from Social Sciences and Management had participated in the event. Using the Karnataka Youth Study data set, the participants, chose themes covered in the survey and undertook a 'hands-on' analysis of data. Relevant statistical tools were applied using the SPSS package.

Dr. Reetika Syal, Assistant Professor at Jain University who has specialized in Quantitative techniques was the Principal Resource Person. Dr. Sandeep Shastri, Pro Vice Chancellor, also led the discussion in few sessions.

The next in the series is scheduled for April 2015.
