Jain University

A deemed-to-be-university since six years, it is now ranked consistently among top universities in India by India Today. Founded in 1990 as SBMJC by Dr. Chenraj Roychand, an eminent entrepreneur & educationist with over 35 years of experience, it has the vision to foster human development through excellence in quality education research & entrepreneurial development.

School of Engineering & Technology

The School of Engineering & Technology (SET) is part of the faculty of Engineering & Technology. SET is firmly focused on delivering a first class educational experience that equips you for life and career. Our superb teaching and research facilities are coupled with practical, forward thinking. SET is located on a sprawling 350 acres Global Campus.

Department of Civil Engineering

The Department of Civil Engineering started in the academic year 2009 offers B.Tech, M.Tech - Building Science & Technology and Ph.D. programmes in Civil Engineering. Objectives of the department are preparing students for best professional practices in Civil Engineering for Nation Building, Teaching & Research Excellence to improve our profession and society and contribution towards Sustainable Development.
