JGI JAIN UNIVERSITY

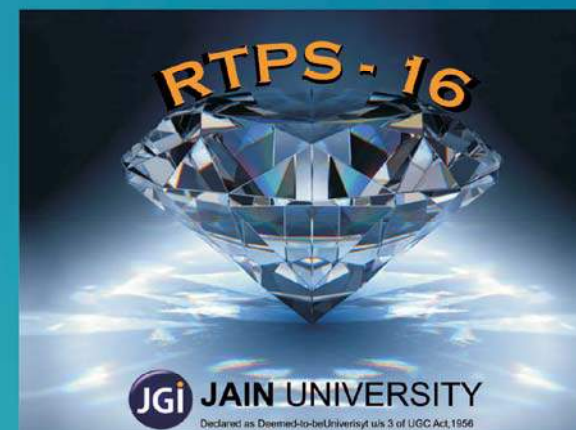

Declared as Deemed-to-be University u/s 3 of UGC Act, 1956

School of Graduate Studies

Division of Physical Sciences

Two days National Conference on

RECENT TRENDS IN PHYSICAL SCIENCES

25th - 26th February, 2016

at

JAIN University
School of Graduate Studies

34, 1st Cross, J.C.Road,
Bangalore - 560027, Karnataka.

About Jain University

Jain University is promoted by Jain University Trust and managed by JGI Group. Headquartered at Bangalore, the JGI Group represents a clusters of 85 vibrant educational establishments with a vision of Nation building and a better tomorrow through excellence in quality of education, research and entrepreneurial development. The University brings in leadership qualities with a blend of academic rigour and hands on applicability to real-world issues. Jain University offers over 60 innovative programmes at the Undergraduate, Postgraduate and Research levels. Research programmes are currently undertaken in 10 disciplines, with most of the researchers involved in inter-disciplinary study.

About Physical Science Division

The Division of Physical Sciences in Jain University comprises of the departments of Physics, Mathematics, Computer Science and Electronics. The Physical Sciences team has been enthusiastically involved in dissemination of knowledge in the field of science and technology ever since its inception. It has organised several conferences, workshops, seminars and symposia in achieving its goals. It also indulges itself in day long science awareness and outreach activities by involving faculty and students of nearby schools and colleges in Bangalore so as to kindle the scientific temper in the young minds.

Scope of the Conference

The National Conference on Recent Trends in Physical Sciences aims to provide an opportunity for desired interaction amongst researchers in different fields of Physical Sciences and their applications in various fields of knowledge and to promote interdisciplinary researches for betterment of society. The conference will embrace keynote address, plenary lectures, invited lectures, paper presentation (oral and poster). Few special sessions are organised, to be delivered by senior scientists.

Conference Theme: RTPS will include a broad set of research areas related to Physics, Mathematics, Computer Science and Electronics.

Call for Papers on topics:

Physics:

- Recent Trends in Material Science
- Astrophysics
- Renewable energy

Mathematics:

- Mathematical Modelling
- Number theory
- Geometry

Computer Science:

- Data Mining
- Cloud Computing
- Mobile Computing

Electronics:

- Recent trends and developments in communication Technology
- Recent trends and developments in Embedded Technology
- Biomedical Electronics

Registration Details

Registration fee includes meals, conference kit and a copy of proceedings. No TA/DA will be provided to participants.

Outstation participants shall be provided accommodation at a reasonable cost on shared basis.

Participants

- ◆ Research Scholars
- ◆ Students/Faculty pursuing M.Phil / PhD including JRFs
- ◆ Students pursuing Post-graduation, UG courses.

Participants

Fees

Research Scholars,
Academicians and Teachers

Rs. 750 /-

Students

Rs. 500 /-

Modalities

≈ Participants need to fill in the online registration form available at Forms and format tab on this website.

≈ The authors of the selected abstracts shall be intimated by e-mail on or before 28th Jan, 2016.

≈ The authors of selected abstracts shall send in their full length papers to rtps2016@gmail.com in pdf format latest by 6th Feb, 2016.

≈ A selected list of best papers shall be published in ISSN number bearing National Journal 'Pariprashna'. The publication charges will be levied extra. Details regarding the same shall be intimated through mail to the author(s).
