ABOUT JAIN UNIVERSITY

Jain University is Ranked No.5 among the top deemed universities in India (India Today – Nielson Best Universities Survey, 2015) and is managed by the JGI group. The main Vision of the Jain University is “To Foster Human Development through Excellence in Quality Education, Research and Entrepreneurial Development”. The University has established tie-ups with various International universities to offer study programs that would help the students and faculty to gain International perspectives in their chosen field of study.

The university offers over 185 programmes at the UG, PG and Research (Ph.D. and M.Phil.) in Humanities, Physical & Life Sciences, Engineering Science & Technology, Management and Commerce.

Jain University, JC Road campus, Bangalore, offers UG courses in Humanities, Physical & Life Sciences, Forensic Science and Interior Design. The campus also offers PG courses in Humanities and Forensic Science.

About Saviskara

SAVISKARA 2016 is an intercollegiate exhibition of the projects/models for Under Graduate students of various streams from the Science and Humanities like Physical & Life sciences, Forensic Science, Interior Design, Arts and Linguistics. The exhibition is an active platform for the students and provides an opportunity for the students to convert their theoretical knowledge gained in various subjects into practice, projects and models. These models can be extended to a large scale to solve social problems.
