CMS BUSINESS
SCHOOL

FACULTY DEVELOPMENT PROGRAM ON Business transformation: the key to building a future-ready corporation

Saturday, 9th February 2019

@ CMS Business School,
#17, Sheshadri Road,
Gandhinagar,
Bengaluru – 560 009.

JAIN (Deemed-to-be University)

JAIN (Deemed-to-be-University) is a comprehensive and student-focused university that works towards excellence in quality education, research, and entrepreneur development. Having been awarded the Graded Autonomy status by University Grants Commission (UGC) and 'A' Grade by the National Assessment and Accreditation Council (NAAC), JAIN (Deemed-to-be-University) has earned national and international reputation for holistic education.

The academic programs offered at the University are distinctive and contemporary both in curriculum and in pedagogy. It challenges the students to be enterprising and stimulates their intellectual capacity to think independently. More than 200 programs are offered in the disciplines of Sciences, Humanities & Arts, Commerce, Engineering & Technology, Management, Law and Research at UG, PG and research levels.

CMS Business School

CMS Business School is a novel institution of higher education providing superior management education to its business graduates. The flagship MBA Program of the Faculty of Management Studies, JAIN (Deemed-to-be-University) encapsulates the best of academia with the corporate world. The Business School provides platforms for incumbents to explore their innate skills coupled with the extensive classroom learning. The corporate world requirements are given special emphasis. The MBA program is a rigorous, two-year, four-semester learning and development program that equips our graduates with a strong entrepreneurial and intrapreneurial orientation. The highly accomplished faculty as well as the rigorous, contemporary curriculum ensure that our graduates are mentored to achieve success.

General Management

The theme of the business discussion is entitled, 'Business transformation: the key to building a future-ready corporation'. The event hosts business heads, who as panellists, will strongly enrich the sessions with insights from across the following domains: business operations; sourcing and procurement; supply chain and logistics; global business; analytics; information and communication technologies; consulting; entrepreneurship; law; and education and training among others.

The event includes a plenary session with two keynote speakers, which is followed by a panel discussion featuring three Panelists and a faculty moderator.
