ABOUT THE UNIVERSITY:

JAIN (Deemed-to-be University), an intellectual destination that draws inspired students from more than 35 countries to India’s Silicon Valley – Bengaluru, was established with an aim to provide quality education and entrepreneurial development. Due to its commitment to learning, research, academia and entrepreneurial development, National Assessment and Accreditation Council (NAAC) has awarded ‘A’ Grade to JAIN (Deemed-to-be University) with a CGPA of 3. 31 on a 4-point scale. A culturally vibrant campus constituting of students from various states contributed to achieving this award which reinvigorates the culture and rich academic traditions of the University. Over the years, the University has made conscious and concerted efforts to build on its strengths and consolidate its achievements. Certified ISO 9001:2015 for quality management by TUV Rheinland, JAIN (Deemed-to-be University) is a member of Association of Universities of Asia and the Pacific (AUAP). JAIN (Deemed-to-be University) has also been awarded four stars in the *Young University* category in Karnataka by KSURF iCARE ratings for teaching excellence and employability, infrastructure, research excellence, inclusiveness and social impact.

ABOUT DEPARTMENT OF COMMERCE:

The department was set up in the year 1990 and has achieved significant growth by adding new dimensions in the domain of education in the commerce discipline. The constant innovation nurtured its various spheres of functioning – teaching, extra-curricular, student centric ideology, continuous in-house/national level MDPs & FDPs, national/international conferences, etc. – have added new feathers to its cap from time to time. The department houses over 5000 students at UG and PG levels and is an abode to over 250 faculty members contributing towards its daily work and growth.

ABOUT INURTURE EDUCATION SOLUTIONS PVT. LTD.:

Established in the year 2009, iNurture is the pioneering organization in enabling career-ready, formal higher education in India. It strives to strengthen ‘employability quotient’ across the complete spectrum of adult learning - from colleges to corporate and the Mission is to become thought leaders by defining education in sectors that will matter in the future and also to become the largest provider of career-ready students to industry. iNurture powers new-age undergraduate and postgraduate programs of premium Indian and global universities through its unique University-Industry Partnership (UIP) model. iNurture also leverages its strong industry association by providing guest lectures, internships, curriculum design assistance, industrial visits, live projects, and placement assistance. iNurture strives to strengthen the ‘employability quotient’ across the complete spectrum of adult learning – from college to corporate. With a pan-India presence and association with leading institutions in Europe and Asia, iNurture focuses on fast-growing domains that are specifically designed to ‘intelligently nurture’ students for emerging industries and prepare them for ‘new’ collar jobs.
