

THE  NEW  
**INDIAN EXPRESS**

**All about astronomy  
at Jain University**

To know more about Indian astronomy, attend a weekend course on 'Introduction to Indian Astronomy'. The centre for Ancient History and Culture (CAHC), Jain University, is organising the course on the May 26 and 27, and on June 2 and 3. The course focuses on some fundamental and crucial topics regarding Indian astronomy, in the aim of equipping participants with the basic knowledge in the field. Some of the topics being discussed are astronomical concepts in the Vedas, Shulbasutras and Dhruva, the Pole Star, transition to mathematical astronomy, and more.
