Declared as Deemed-to-be University u/s 3 of the UGC Act, 1956

# JAIN UNIVERSITY

Jain University has been the benchmark for quality education and excellence in extracurricular activities. Over the years, School of Commerce has emerged as one of the top colleges across India. Apart from academics, the University has been the launch pad for those with exemplary talents and provide shelter to hone many a myriad of talents - be it artistic, literary or even sports. There are a variety of forums and clubs to accommodate such young talent and students of such calibre are able to perform in their respective fields with passion and grace.

## THE CULTURAL FORUM

The Cultural Forum is a forum of budding artists and talented students who put together all their creative thoughts, efforts and energies with innovations to pull off various events in Jain University. We mainly deal with event management and also provide an imposing platform for individuals to showcase their talent in the events conducted by other colleges and institutions.

The Cultural forum is the driving force behind organizing all the cultural fests such as Anveshana, an intra-collegiate fresher's fest, Taru Samskriti - Samaagama, state level inter-collegiate PU fest and Samyoga - a national level intercollegiate fest. The forum also hosts PULSE - a National Level Dance Fest, wherein 200 colleges across India participate. The students of the forum come together and work towards achieving excellence in extracurricular activities.

# SAMYOGA

Samyoga, Jain University's pride- is an intercollegiate fest organized by The Cultural Forum. Like every year, this year too brings you all to the edge of your seat with exciting theme and events. Great talents are not only recognised with their skills but also by making the best use of opportunities. Samyoga is looked upon as one of the best platforms to showcase such talents. Come prepared to participate in this exuberant and scintillating fest SAMYOGA which is taking place on the 18th, 19th and 20th of January 2017. Put your best foot forward in this colourful journey.

# CULOARE!

'COLOURS' - The theme for this year is derived from Romanian language. 'Culoare' is wordplay on the word 'culture' and 'colours'. We combine different shades to get that one beautiful hue. Like shining red denoting pride and power, yellow and blue indicating peace and harmony, Samyoga is a beautiful showcase of colour in the form of exclusive talents. Be it music or literary, act or art, the most awaited fest 'SAMYOGA' is here, as promising as ever, with the theme CULOARE. Samyoga 2017, like colours, marks the talent possessed by an individual to produce a treat to the eye of the beholder through their ecstatic skills and enthralling performance. This fest provides a memorable experience, accolades and accomplishments for the participants.
