

Jain University's star struck PULSE

Jain University, School of Commerce and Management Studies conducted the much awaited annual inter collegiate dance fest PULSE on 6th and 7th August. This year's event was brushed in star dust as dynamic dancers and sandalwood stars took center stage. The event opened to smash hit performances in solo and group categories. Participants from around 20 colleges of Bangalore, Mumbai, Chennai and Pune performed at PULSE.

Beboyers, popers and lockers rocked the western street dance event, busting some ultra-cool moves that truly sent temperatures soaring. The cast of Love in Mandya featuring Satish and Sindhu of the blockbuster hit Lucia were the star attraction of day one of PULSE. The audience roared to life as Satish crooned the popular song jamma jamma to the rhythm of the Jain University beat boxers. The second day of PULSE opened to steaming hot face offs of round two in all the categories. Out of 10 teams that qualified for day two Bollywood Beats from Center for Management Studies and Pulse Crew from PES College made it to the final face off.

While the groups battled it out in the final showdown, the solo dancers delivered some jaw dropping performances. Zeeshan of ICAT (Image College of Arts, Animation & Technology) stole the show and winner's trophy in the solo category with his hip hop swag and neck breaking stunts. Kajal from Jain University, Centre for Management Studies lapped the runner's title. Pulse Crew from PES nicked the winner's trophy and 10,000 cash price in group dance event. The evening of day two shone bright with the starcast of Vastuprakara with Rakshit Shetty and Aishani Shetty gracing the closing ceremony of PULSE. The students put up a grand fashion show for the movie stars. Both the actors turned showstoppers and walked the ramp with the students.
