The Pro Chancellor, who chaired this meeting, welcomed all the members and special invitees to the 34th meeting of the Academic Council. He also welcomed Dr. Raj Singh, who took charge as the Vice Chancellor of JAIN (Deemed-to-be University) w.e.f 12th November 2020. While introducing him to the members, the Pro Chancellor highlighted the past achievements and contributions of the Vice Chancellor in the field of higher education and expressed the hope that the university will see the next phase of growth under the stewardship of Dr. Raj Singh. The Pro Chancellor also recalled in this context the accomplishments and milestones crossed by the University over the past twelve years since inception. He thanked all the External Members for their unstinted support and encouragement. All the External Members congratulated the Pro Chancellor and extended warm greetings to the new Vice Chancellor.

At the request of the Chairman, the Vice Chancellor explained the essential elements driving JAIN 2.0. He also highlighted on the rapidly changing environment, expectations of stake holders, the national priorities for Higher Education as refracted in the New Education Policy and in that context the further initiatives and actions being planned by the university in the areas of Outcome Based Education, Evaluation Reforms, Project Centric Learning, research and innovation.

The Chairman took up the agenda items for discussion.

Agenda item No. 1 - Confirmation of the minutes of the 33rd meeting held on 13th August, 2020.

The Chairman informed that the copy of the minutes was circulated to all the members and that there were no suggestions / observations received in this matter. He requested the members to confirm the minutes of the last meeting.

The members confirmed the minutes of the 33rd meeting of the Academic Council held on 13th August, 2020.

Agenda item no. 2 : Action Taken Report :

The Chairman mentioned that as per the suggestion in the last meeting of Academic Council, an internal committee was constituted to look into the differentiating aspects of certain new programmes having similar titles to be

introduced from AY 2020-21. Clarifications and suggestions as emerged through the deliberations of the internal committee have already been circulated to the Members of Academic Council, thus fulfilling the action suggested by the Academic Council.

Members noted the action taken report.

Agenda item no. 3: Discussion items :

Agenda item no. 3.1 : To approve the introduction of New Programmes proposed for the AY 2020-21, Curriculum Matrix and Syllabus (Semesters I & II).

At the request of the Chairman, Dr. Easwaran Iyer informed that 26 new programmes under the newly organised School of Allied Healthcare and Sciences (SAHS) were proposed and discussed in 73rd Standing Committee Meeting on 31st January, 2020 and also in 24th Planning and Monitoring Board Meeting on 29th February, 2020. Further the programmes for SAHS were recommended by the Board of Studies, chaired by Dr. Ravish, a leading urologist on 30th July, 2020 and these had the benefit of expert guidance of an Advisory Board, chaired by Dr. Sudhir Pai, Senior Consultant Neurosurgeon, Aster RV Hospital. He gave an overview of the campus and an account of many leading Hospitals that are willing to have partnership with the University. Dr. Ravish added that there is a huge demand for trained medical technicians with adequate knowledge & skillset in operating the sophisticated medical equipment and also to help doctors, surgeons and patients.

Dr. Iyer mentioned that due to current pandemic situation the admission process was delayed and hence only 9 programmes were earmarked to start from the AY 2020-21, Dr. Easwaran Iyer presented the following list of programmes to be offered by the SAHS :

1. Bachelor of Science
(Nuclear Medicine Technology)
2. Bachelor of Science
(Anesthesia Technology)
3. Bachelor of Science
(Cardiac Technology)
4. Bachelor of Science
(Nutrition and Dietetics)
5. Bachelor of Science
(Virology & Immunology)
6. Bachelor of Science
(Cancer Biology)

7. Bachelor of Science (Honours)
(Psychology)
8. Master of Science
(Cellular and Molecular Oncology)
9. Master of Science
(Molecular Medicine and Stem Cell Technologies)

The Director (Academics and Planning) mentioned that for all the above programmes the BoS has submitted the Curriculum Matrices, the Syllabi for Semesters I & II, the Programme Outcomes, Programme Specific Outcomes and the Course Outcomes conforming to the OBE framework. These 9 programmes are implemented with Choice Based Credit System (CBCS).

Dr. Grace Joseph gave a power point presentation on the Course structure and Curriculum matrix of all the programmes. She informed that all the PG programmes are of 2 year duration and all UG programmes are of 4 years (3 years + 1 year Internship), except BSc. (Nutrition and Dietetics) and B.Sc. (Hons) Psychology. Programme duration has been defined taking cognizance of the prescribed requirements and high professional quality standards that are desired.

Dr. Gururaja suggested to bench mark the SAHS with other allied healthcare institutes and medical universities for achieving higher level outcomes. Mr. Vora suggested to offer courses in diagnostics and biomedical waste. Dr. Ravish clarified that diagnostics and biomedical waste are of different nature and should be offered as separate programmes, however, it has been taken care to include appropriate content wherever required. Dr. Natarajan suggested recruiting of qualified in-house faculty members instead of adjunct faculty in order to ensure viability of programmes. Dr. Mythili expressed that a few courses like Oncology and Nuclear Medicine requires highly specialized labs to be established within the campus. The Registrar clarified that tie-ups with hospitals are in process to access/setup the required labs and professionally qualified Doctor of Medicine (MD) and Ph.D. holders had been shortlisted for faculty appointments. The chairman mentioned that the suggestions and feedback from the members are welcome and with the approval of the Academic Council and Board of Management all the new programmes under SAHS shall commence from first week of January, 2021.

The Academic Council accorded approval for introduction of new programmes proposed under School of Allied Healthcare and Sciences (SAHS) proposed for the academic year 2020-21. The Academic Council also approved Curriculum Matrix and Syllabus (Semesters I & II).

Agenda item no. 3.2 : Conduct of 10th Annual Convocation of the University on 23rd January, 2021
and

Agenda item no.3.3 : Presentation of the list of :

- a. Eligible Graduates, Postgraduates, Ph.D candidates for the 10th Convocation.
- b. Rank Holders and Gold Medalists.

The Chairman informed the members that the 10th Annual Convocation of the University is scheduled to take place on Saturday, 23rd January, 2021, tentatively during evening hours and for the first time through virtual mode. The total number of eligible candidates to receive their degrees will be 5386 which include 150 PhD Candidates, 198 Rank Holders and 78 Gold Medalists (1 gold medal is for excellence in sports).

The Registrar informed that considering current pandemic situation regaining the standard operating procedure to be strictly followed, it will be necessary to limit the in-person participation to only Gold Medalists and all other eligible candidates including rank holders can participate through virtual mode. He stated that convocation proceedings will be broadcast online so that large number participants can view. It is suggested that a prominent personality be invited as the Chief Guest, from Healthcare sector such as, Dr. C.N. Manjunath, Renowned Cardiologist & Director - Jayadeva Hospital or Dr. Devi Prasad Shetty, Chairman - Narayana Health.

The Chairman extended the invitation for all the members to the 10th Annual Convocation of the University and requested them to join through virtual mode on 23rd January, 2021.

Members accorded approval for all the points referred with regard to the conduct of Annual Convocation and noted the list of eligible candidates.

Agenda item no. 3.4 : To approve the Revised Curriculum Matrix & Syllabus for the UG and PG Programmes for AY 2020-21.

The Registrar presented the revised Curriculum Matrix & Syllabus of the ongoing UG / PG Programmes for the AY 2020-21. He informed that the revision is being done at regular intervals and they have been discussed & recommended by the respective Board of Studies. The Chairman further informed that syllabus revision as recommended by the Board of Studies was circulated to all the members and placed for discussion and suggestions. Member approved the revised / new Programmes for AY 2020-21.

Agenda item no. 4: Reporting Items :

Agenda item no. 4.1 : Introduction of MBA and MCA programmes through Open and Distance Learning (ODL) Mode.

The Director (Academics and Planning) informed that the University had introduced academic programmes under Open and Distance Learning (ODL) in accordance with UGC 2020 Regulations. From AY 2020-21 onwards MBA and MCA programmes are planned to be offered under ODL mode in addition to regular mode. The assessment pattern remains the same, but the credits brought down to 90 from 102 of that of regular programme, in line with the guidelines.

Agenda item no. 4.2 : Reopening of academic campuses through online and physical modes.

The Vice Chancellor informed that the University has communicated to all the parents on the plan of action for reopening all the campuses for face to face delivery of lessons and conduct of practicals in laboratory in tandem with online mode delivery. In response, around 50% of students only have opted for face to face mode. Accordingly, the University had planned to start all UG programmes (other than Engineering) through online mode from 4th January, 2021. Subsequently, the physical mode of presence of students will commence progressively, with necessary preparations and in line with the guidelines from the Government from time to time.

Agenda item no. 5.3 : Programmes in Online mode

The Registrar informed that the University is going to offer a few programmes in Online mode which is distinct from ODL mode, in accordance with UGC Regulations.

Agenda item no. 5.4 : Executive enrichment programmes

The Registrar also informed that the following Executive enrichment programmes of 1-year duration have been recommended by the competent Board of Studies under Faculty of Management.

- i. Post Graduate Programme (Aviation Leasing and Financing)
- ii. Post Graduate Programme (Aviation Operations and Management)

The background papers pertaining to the above agenda item comprising of brief proposal of the programme, curriculum matrix and syllabus were circulated to all the members for perusal and consideration. The Registrar added that these are Executive Development Programs and will not lead to a Diploma / Degree, being offered online in collaboration with industry. There is demand from countries like Ireland and others and the target audience is industry professionals. Mr. Vora suggested that to have sustainable volumes of “clients”, programmes should focus on skills relevant to the sector. Dr. Mythili emphasized on the importance of quality and participative aspects of the university and industry interface. Dr. Harold Patrick clarified that the proposed programmes are designed to upskill the existing flying crew and airport professionals in association with respective aviation industry for their continued education. All the members appreciated in bringing out valuable programmes.

The Academic Council approved the introduction of the above programmes and also approved the curriculum matrix and syllabus after due consideration.

The meeting concluded with the Registrar giving vote of thanks and expressing his gratitude to the Pro Chancellor for chairing this as well as previous meetings of the Committee and his significant contribution to the University in capacity of then Vice Chancellor. He also thanked the new Vice Chancellor and welcomed his chairmanship of upcoming Statutory Body meetings.
