

NATIONAL CONFERENCE ON SMART LIBRARIES

In Association with:

Karnataka State College Librarians Association®
Bangalore

10th - 11th March 2023

JAIN (Deemed-to-be University)

Ranked among the top universities in India and considered a cerebral destination for students across the world and Bangalore in particular, for its illustrious history of developing talent, JAIN (Deemed-to-be University) is a hub for learning in every sense of the word.

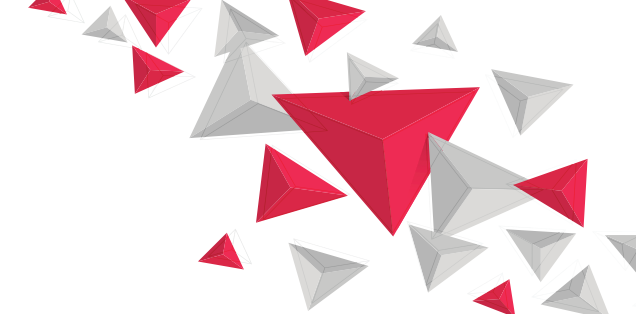

The University offers a conducive environment for learning, be it academically or extracurricular activities. Known for its emphasis on education, entrepreneurship, research and sports, JAIN (Deemed-to-be University) has some of the best minds in the educational and research fields, and centres that inspire entrepreneurship and ground-breaking work to simplify and manage life better. What makes JAIN (Deemed-to-be University) different is its outlook towards life, its values and beliefs. Its ever-evolving and open-minded system and quest for continued success and resilience, has made it one of the top universities in India.

JAIN (Deemed-to-be University) is a multidisciplinary University with 6 Faculties, 10 Schools, 25 Departments, 4 Allied Departments, 6 Research Centres, Chenraj Roychand Centre for Entrepreneurship (CRCE), Technology Business Incubator, and 13 Student Support Cells. The university has been accredited with A++ with a cumulative grade point of 3.71 in the year 2021 by National Assessment and Accreditation Council (NAAC) and is ranked 76th nationally in the National Institutional Ranking Framework (NIRF), Government of India, in 2022.

About Learning Resource Centre

Learning Resource Centre (LRC), JAIN (Deemed to-be University), serving with its wide collection of books, journals, magazines, theses/dissertations, reports, CDs, etc., provide a wide range of information services to enhance student learning and research activities. The library is automated with KOHA Library Management System and subscribing to EBSCO, Emerald and Capitoline online data bases to Serve its faculty members, students, and research scholars in a single platform. A team of subject specialist librarians and other trained staff are available to assist with general and subject-specific information requirements.

About Karnataka State College Librarians Association (KSCLA):

Librarians Association was established in 1979 with the objective of improving the services of college libraries, the status and service conditions of library staff, co-operating actively to benefit mutually by the resources available in the libraries, strengthening the financial resources of the college libraries and raising the professional standard of library staff in college libraries.

During the span of four decades, significant achievements have been made for the cause of librarianship in Karnataka state to develop the college libraries. Professor T S Rubin was the first President of KSCLA and at present, Dr. M Krishnappa is the President. The Association has organized 9 National level conferences and seminars in association with Universities and Colleges in different parts of Karnataka and this is the 10th Conference in association with JAIN (Deemed to-be University) at Bangalore.

About the Conference:

Learning Resource Centre, JAIN (Deemed to-be University) is pleased to announce National Conference on Smart Libraries during 10th -11th March, 2023. Its focus is on current and emerging technologies and their implementation in libraries. As technology adoption in education growing at a fast phase, e-learning being used extensively at information technology platforms in libraries. The vision of this conference is to enable libraries to re-imagine their libraries in the digital space as an integral part of the learning, teaching and research system of the Institutions.

The theme of this Conference is very unique and challenging in broadening library services with e-learning platforms in managing e-resources. The Conference aims to bring together leading Academicians, Librarians, Scientists, Researchers and Students to exchange and share their experiences and research results on other aspects of Libraries. It also provides a premier platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Libraries.

Who can participate

Library Professionals, LIS Faculty, Library Scientists, Data Analysts, Documentation officers, Academicians, Research Scholars and Students.

Call for contributors

Prospective authors are encouraged to contribute and help shape the conference through submission of their research papers and posters. The contributors can include any other topic falling under the broad gamut of the main theme of the conference. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in the areas are cordially invited for presentation at the conference. Selected quality papers will be considered for publication as Book Chapters with ISBN. Please note, the similarity of the content should not exceed 8%.

- Library Automation
- Emerging Trends in digital Libraries
- Digital Governance
- Digital Library Development, architecture and management
- Machine Learning and Data mining for DLs
- Digital Library Standards and Policy
- Quality and evaluation of digital libraries
- Best Practices/ Case studies

3 Data Storage and Management

- Trends in Data Storage Management
- Digital Collection development policies
- Digital repositories, Data Storage in cloud
- Cloud storage services, Issues and challenges
- Ontology & Knowledge Organization
- Digital conservation and preservation
- Best Practices/Case studies

4 Library Sustainable Development

- Open Technology Movement
- Open Archive Initiatives (OAI)
- Open access issues and challenges
- Sustainable Digital Library Model
- Green Library Initiatives
- Open Education Platforms & Resources
- Best Practices/ Case Studies

5 Research Data Management-RDM

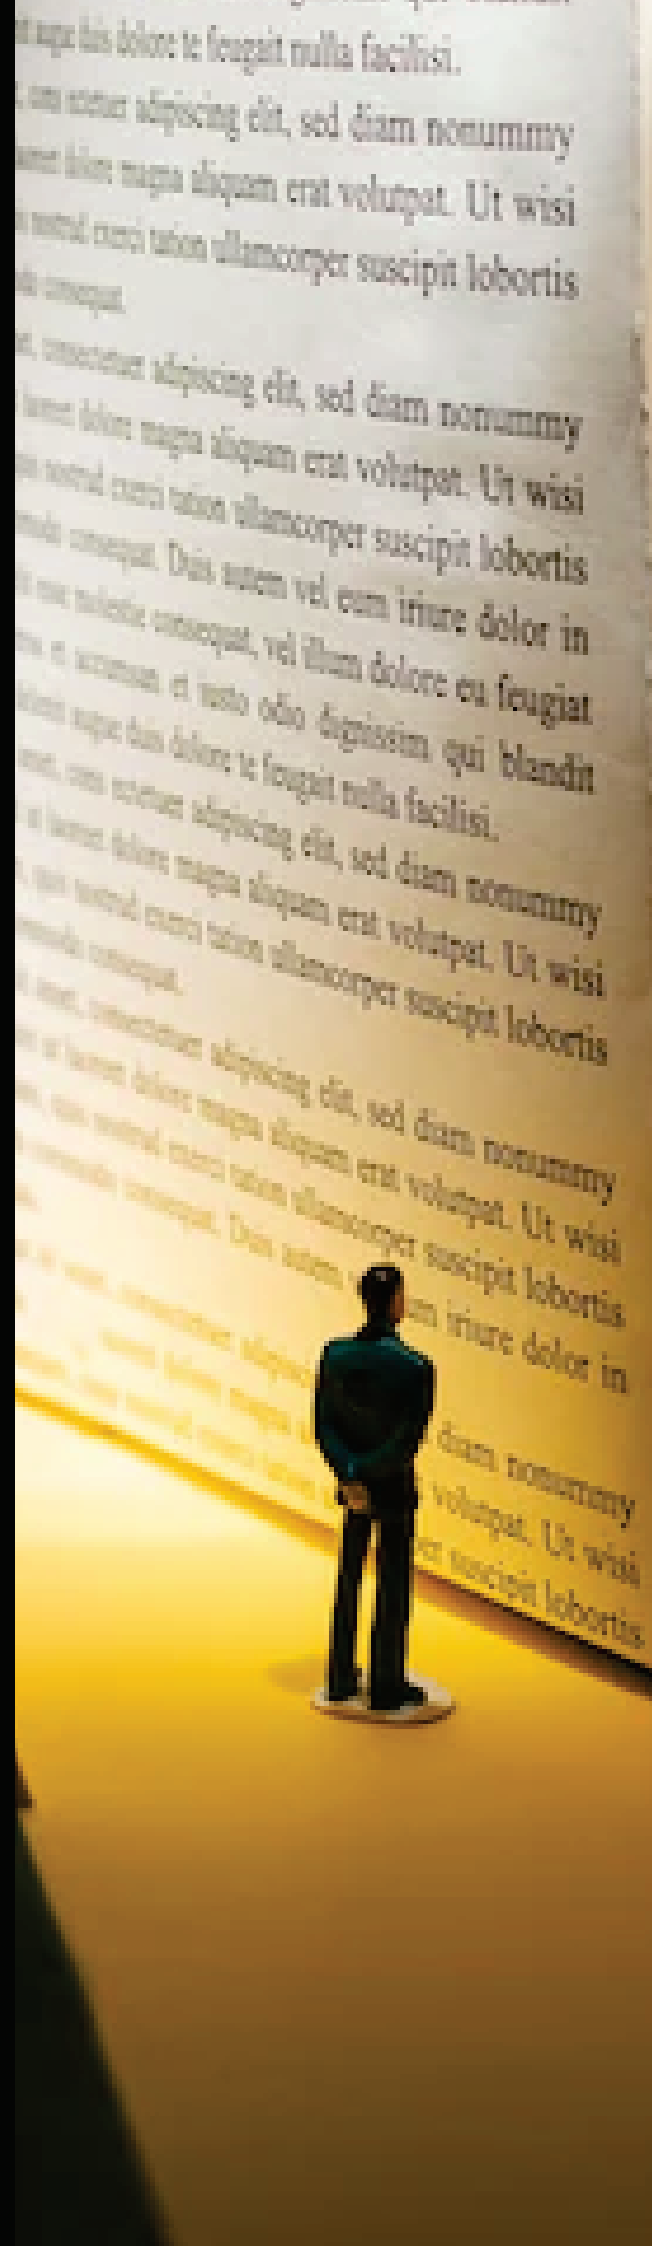

- Data Collection Methods
- Data Repositories and Archives
- FAIR & Research Data Management (RDM)
- Big Data & Data Analytics-
- Data Exchange & Interoperability
- Best Practices / Case studies

6 Social Media and Libraries

- Socializing Library Services/Social media applications
- Social media, community building and applications
- Social and Human Elements of Information Security
- Analyzing Social Media Networks
- Social Networking Services
- Best Practices/ Case Studies

7 Domain Based Best Practices

- Academic Libraries
- Special Libraries
- Public Libraries
