

Prof. N J Rao's Visit to SET: Discussion on Aspects of Higher Education and Curriculum Design & Development

Prof. N. J. Rao, Formerly with IISc visited School of Engineering & Technology on 4th November 2011 at 10:00 am. His visit involved crucial discussions about some of the aspects of Higher Education and Curriculum Design & Development.

Jain University dignitaries present in the gathering were Dr. N. Sundararajan (Hon. Vice Chancellor), Dr. N. G. R. Iyengar (Pro - Vice Chancellor), Prof. N. V. H. Krishnan (Registrar), Dr. Y Vijaya Kumar (Director, School of Engineering & Technology), Dr. Jayagopal Uchil (Director, Academics & Planning), Prof. A. Vasudeva Murthy (Professor, SET), Mr. B. N. Balaji (Administrative Officer).

Strategies suggested:

- Need for Program Education Objectives for each Department in SET
- Reducing the numbers of credits to somewhere between 160 to 170 credits.
- Washington Accord would be ideal to adopt.
