

PG Students of Psychology participate in the “Understanding Issues among Youth in Karnataka” workshop conducted by NIMHANS

The students of Department of Psychology, Jain University took part in the Stakeholders’ workshop jointly organised by the National Institute of Mental Health and Neurosciences (NIMHANS) and Department of Youth Empowerment and Sports, Government of Karnataka. This workshop held on 26 March 2014 was titled **“Understanding Issues among Youth in Karnataka”**.

Our students got an opportunity to contribute their views on various issues connected to youth in Karnataka. This workshop focused on the efficacy of the Karnataka Youth Policy and tried to capture the perspectives of students to enhance the effectiveness of the same. Our students had to give their opinions on youth related issues that can be a significant contributor when setting counselling centres in different districts of our state.

The students who participated in this event were Ms. Ankitha U, Ms. Megha Vaid, Ms. Mansi Bhatia, Ms. Snigdhashree Sanjukta and Mr. Vijay Shanakar.
