Prof. Debadatta Das, Ph.D. (Finance), M.Phil., MBA (Finance), has more than 20 years of experience in the areas of corporate, academics and research. He is currently working at ISB, Hyderabad and prior to this, he was working at IIMB from June 2016 to March 2019. In addition, he is a visiting Faculty at many renowned business schools at Bangalore and Hyderabad. He conducted the plenary session on "Leadership Development for the Future - How to better balance the leadership narrative between EI and AI" in CHRO event at ISB. He has written many papers among which is the recent one "Executive compensation and corporate agility". He is also a member of the Association of Mutual Funds of India (AMFI) since 2006 and worked extensively with BSE and NSE.

Prof. Rajesh Palayil has held a diverse leadership roles in his 24 years of career with varied corporate, having been associated with organizations - like The Indian Express, Business Standard, Manipal Education, Educomp, and as COO of Pearl Academy (Laureate International Universities). He served for 5 years as a Professor in Management subjects and Director In charge of Koshys Group of Institution.

A firm believer that innovative Pedagogical approach in Education is the key, for the students to acquire and embed knowledge, trigger imagination and creativity, and they revel in the process of Learning. Prof. Palayil is actively encouraging and engaged with Institutions in India, to adopt Experiential Learning Pedagogy for a superior assimilation of knowledge and transformation in students. He is in role as Business Head with 'Deeksha - India's Leading Integrated PU College with over 10000 students enrolled.

About JAIN (Deemed—to-be University)

Established with the aim to provide quality education and entrepreneurial development, Jain (Deemed – to - be University) is an intellectual destination that draws inspired students from more than 35 countries to Bengaluru. Founded in 1990 as Sri Bhagawan Mahaveer Jain College (SBMJC), the University has been consistently ranked among the top private universities in India by India Today Nielson Best Universities Survey. Jain (Deemed – to - be University) was born out of the vision and mission of Dr. Chenraj Roychand, an educationist and eminent entrepreneur.

Jain (Deemed-to-be University) is a comprehensive and student – focused university that works towards excellence in quality education, research and entrepreneurial development. Having been awarded the Graded Autonomy status by University Grants Commission (UGC) and "A" Grade by the National Assessment and Accreditation Council (NAAC), Jain (Deemed -to-be University) has earned national and international acclaim for its holistic education.

The academic programs offered at the University are distinctive and contemporary both in curriculum and in pedagogy. It challenges the students to be enterprising by stimulating their intellectual capacity to think independently. More than 200 programs are offered at Jain in the various disciplines of Science, Humanities & Art, Commerce, Engineering & Technology, Management, Law and Research, Interior Design at UG, PG and Research levels.

About School of Humanities & Social Sciences & School of Interior Design

School of Humanities & Social Sciences offers diverse & unique undergraduate and graduate programs designed to develop new generation leaders, bureaucrats, think-tanks and entrepreneurs. The school provides excellent exposure to students through international collaborations and scholar exchange programs. The MPhil and PhD program enable theoretically informed, cutting edge applied research to frame policies for building strong and sustainable society. The interdisciplinary research focuses on contemporary issues of regional, national and global dimensions. The school believes in policies that promote equity, ethical values and quality of life. Besides creating globally competent outcome, students are actively involved in multiple extension activities to respond to contemporary issues.

The Bachelor of Science in Interior Design is an idea led profession, concerned with the relationships between people and the surrounding environment. It is a professional course that combines creativity, technical knowledge and business management skills. In this program, students learn that the design of interiors is not confined to the inside of buildings, but addresses spatial and temporal concerns, ranging from the intimacy of a finely crafted objects to the urban fabric of a city. Students use a range of skills to push current boundaries including high level visual and verbal communication and presentation techniques, model making, technical design documentation and the ability to work with light, sound, video and computer-based programs.

OUR VISION

To foster Human Development through excellence in Quality Education, Research and Entrepreneurial Development.

OUR MISSION

- To provide quality education, creating human assets/manpower and intellectual capital
- To enhance research and development in different disciplines
- To develop new generation entrepreneurs who will be instrumental in fueling economic growth
- To create able leaders, Managers and Technocrats
- To Foster an ethical environment founded on human values in which both spirit and skill will thrive to enrich the quality of life

Learning Outcomes of the MDP

This intense MDP is designed for academicians, leaders and managers who aspire to:

- gain insights regarding the specific challenges you may be currently facing as a leader
- Evolve from chaos to clarity
- explore the art of managing in uncertain times
- learn transformation from inspirational to the operational leadership
- prepare students to be change management leaders & positively contribute to change
- help your employees take ownership of change
- demonstrate leaders ability to lead, manage and implement change
- bring tangible results in individual team members being promoted, a significant reduction in employee absence, an increase in employee engagement, as well as greater productivity and an overall improvement in morale.
